START-UP CELL

Start-up cell was established in Dec-2024 in L.R Institute of Pharmacy to strengthen and motivate students through a supportive environment that helps them to establish their business ideas and develop their concepts into market ready products. Objective of this cell is to promote entrepreneurship among students and promotes scientific temper among the students. Under the start-up cell lab facilities have been made open along with availability of in-house mentor, access to library, high speed internet.

Following is the constitution of Start-up cell-
